- 11 Underlay is not a luxury

## Finishing

- 12 Finish perfectly

## Cleaning

- 14 Keep your floor in top condition

## Highly awarded... not just for its looks

### Top quality

At Quick-Step, we combine our expertise in flooring to create perfect quality bamboo floors that give you a lifetime of pleasure. Unlike any other brand, Quick-Step has control over the production process. A Quick-Step Quality-Control Unit in the factory ensures that the highest standards are met when manufacturing your ARC Bamboo floor.

When monitoring the production process, Quick-Step keeps an eye on the tolerances in each production step.

The partnership also ensures the usage of the best quality raw materials and finishing lacquer in the marketplace.

The result is a product that is backed by a 25 year Wear Warranty\* and a comprehensive Lifetime Structural Warranty.

### Quick-Step® makes it easy for you

At Quick-Step we don't just offer a product, we offer a total solution. From floors to stair solutions, underlays, finishing profiles and accessories, our range of products guarantees a perfect result every time.

As the inventor of the Uniclic® click system, Quick-Step also ensures a hassle free installation.

The system enables you to click the planks together in no time using two different methods.

### A heart for nature

At Quick-Step, we are conscious that the world in which you want to live doesn't consist of just stylish interiors. It is equally a world that radiates respect for our natural environment. That is precisely why we continually do our best to keep the environmental impact of our products and processes to a minimum.

## A lifetime of pleasure

### Widest boards

Quick-Step ARC Bamboo's 14 mm solid boards are a generous 1850 mm long and 137 mm wide. The extra wide boards allow for a modern look & feel, as the natural patterns are shown off to best advantage. Just have a look at our Australiana Bamboo: thanks to the wide planks, the natural variation almost resembles the real look of the popular timber species Spotted Gum.

### Leading lacquer

The boards are finished with 11 coats of hi-tech European SRT (Scratch Resistant Technology) coating, ensuring it is as resistant as possible to the rough and tumble of everyday life. Quick-Step ARC Bamboo offers a better resistance to scratches than any other bamboo floor!

### Real warranties

Anybody can promise a lifelong warranty, but more often than not, the delivery fails. Quick-Step doesn't just talk about giving you a Lifetime Structural Warranty, we are there when you need us. With qualified representatives all over Australia & New Zealand, Quick-Step offers full ground support no matter where you live. ARC Bamboo carries a comprehensive Lifetime Structural Warranty and a 25 Year Residential Wear Warranty\*, so you can enjoy your ARC Bamboo floor with absolute peace of mind.

# Create your own living space

A beautiful interior starts with a good foundation. The floor could be considered as the fifth wall and therefore it should not be overlooked. Whatever your style, whatever your room, Quick-Step has the right floor: from light, clean floors to warm brown classics and even reclaimed floors.

# Install your floor without a hassle!

## STEP 1 INSTALLATION

### 1 Effortless installation, thanks to the Uniclic® click system

Quick-Step is the inventor of the Uniclic® installation system, today the standard click-to-install system. Use the revolutionary and patented click system to effortlessly click your floor planks together.

### 2 Install your floor anywhere

Having the world's best joining system ensures a quick, easy and versatile installation of your floor. The strong joining system also results in a more stable floor and avoids moisture, dust or dirt accumulating between the planks.

### 3 Watch the videos

See for yourself how easy it is to install a Quick-Step floor in our installation videos. Discover them on [www.quick-step.com](http://www.quick-step.com).

## Underlay is not an idle luxury

### CLICK on bamboo

Installing your bamboo floor is easy thanks to the patented Uniclic® click system. A good underlay has a major impact on the final look, quality and comfort of your Quick-Step bamboo floor.

QUIET-STEP is the recommended underlay for ARC Bamboo: due to its high density, QUIET-STEP is able to retain its characteristics and fulfil its purpose without compromise.

- A Quick-Step underlay levels and helps to prevent small irregularities.
- It provides excellent acoustic insulation and reduces walking and impact noise.
- The damp-proof and moisture-resistant membrane (DPM) with an adhesive strip has already been integrated into the levelling underlay. This will save you a lot of time and effort.

### Quick-Step® QUIET-STEP COMBI-LAY

Contents:  
1 roll = 20 or 50 m<sup>2</sup>  
Thickness: 2 mm

Quiet-Step Combi-Lay is the first choice where a quiet step sound and maximum reduction in multi-storey noise is required. This high density underlay has no match when it comes to reducing foot fall noise, with a reduction of up to 30% over standard underlays.

## STEP 2 FINISHING

### Trims

Finish your floor with the Prestige profile range Australia\*

#### END

Uses: Transition to floor coverings or vertical surfaces (pre-fit).

Fixing: Builders adhesive combined with nail or screw.

Top cover: 18 mm

## STEP 3

### CLEANING

## Keep your floor in top condition

### Quick-Step® CLEANING KIT

QSCLEANINGKIT

Contents: mop holder, washable microfiber mop, Quick-Step Cleaning product 750ml

All Quick-Step cleaning products are specifically developed for Quick-Step floors. They cleanse the floor surface thoroughly and maintain the original look of your floor. No residual layers of cleaning product are left behind.

Also available:  
**Quick-Step®  
CLEANING PRODUCT**  
QSCLEANING750

### Quick-Step® REPAIR KIT

Contents: melting knife, cleaning comb, 7 wax blocks, sanding pad

Light damages can easily be repaired in the original colour with the Quick-Step Repair Kit. Simply recreate the colour of your damaged planks with one of the seven wax pieces selected to cover all Quick-Step colours.

Check the specific colour combination for your floor on [www.quick-step.com](http://www.quick-step.com)

Watch our repair movie showcasing how to repair your bamboo floor.

- ☑ FSC certified
- ☑ We use carefully screened raw materials
- ☑ We invest in energy-efficient production

At Quick-Step, we are committed to reducing our ecological footprint and to helping our customers reduce theirs. Bamboo is one of nature's most rapidly renewable resources. Bamboo grows into a mature tree ready to harvest approximately every 6 years. All Quick-Step Bamboo products are fully FSC certified, meaning Quick-Step only uses well-managed forests for its resources.

We want to assure you that our commitment to better living, to safety and sustainability not only matches international standards, it also matches your standards.
