HM WALK
HARDWOOD ENGINEERED FLOORING
BY HURFORD FLOORING

WALK on your very own REAL Hardwood floor today.

In the hectic world we all live in, its nice to be able to take the time and WALK on a beautiful Engineered Hardwood floor.

With its unique glueless locking system HM WALK is fast and easy to install in your home.

HM WALK is an engineered hardwood floor, which means that the surface you WALK on and see is made of strong hardwood, while underneath the surface HM WALK uses an extremely stable 9 ply construction made of plantation Eucalypt. This type of construction ensures the maximum use of our precious hardwood, which in turn is better for the environment.

State of the art production techniques

HM WALK incorporates the latest techniques in engineered flooring construction - from its incredibly hard wearing 13 coat system, it's conservative use of the hardwood resource, through to the plantation eucalypt plywood core. HM WALK has been engineered to be aesthetically beautiful, respectful to the environment, while providing a tough, dependable hardwood engineered flooring.

Environment

Using veneer only sourced and selected from sustainable managed forests, HM WALK ensures the product maximises the precious resource. The core material used in HM WALK is manufactured using plantation Eucalypt hardwood.

13 Coat System

HM WALK uses a state of the art European coating system, utilising 13 separate coats to ensure a tough, anti scratch surface is obtained. HM WALK Australian species has a very attractive semi gloss appearance, whilst the American White Oak has a matt finish.

25 Year Warranty

HM WALK carries a 25 year warranty on the construction of the product in domestic applications. This ensures you have peace of mind that HM WALK is strong, stable and won't fall apart.

Real Hardwood Surface

HM WALK is constructed using the highest quality hardwoods which ensures an aesthetically attractive surface that is extremely strong.

Matching Accessories

Hurford Flooring stocks a collection of anodised and powder coated trims, MDF wrapped scotia and foam underlay designed to aid in the completion your flooring system.
